

Majlis Mesra Komuniti Bersama Yang Berhormat Menteri Sumber Asli dan Alam Sekitar Malaysia (NRE) Dato Sri Dr. Haji Wan Junaidi bin Tuanku Jaafar dan Warga Kementerian Sumber Asli dan Alam Sekitar (NRE)

A group of about 30 students from Department of Chemical Engineering and Energy Sustainability and accompanied by two lecturers, Mr Nazeri Abdul Rahman and Dr Shanti Faridah Salleh, have participated in “Majlis Mesra Komuniti Bersama Yang Berhormat Menteri Sumber Asli dan Alam Sekitar Malaysia (NRE) Dato Sri Dr. Haji Wan Junaidi bin Tuanku Jaafar dan Warga Kementerian Sumber Asli dan Alam Sekitar (NRE)”. The main aim of this ceremony was to establish environment awareness among the villages in Santubong, Bako dan especially in Kampung Buntal area. The ceremony started with a freshening aerobic exercise conducted by professional instructors before the CEES students and staff, as well as other participants jointed efforts in “Gotong Royong” of cleaning the area at Buntal Esplanade of Kampung Buntal, Kuching. Before the ceremony come to an end, our 1st year student, Joel ak Dagang, luckily won a nice lucky draw hampers. Staff involved Mr. Nazeri Abdul Rahman and Dr Shanti Faridah Salleh and about 30 CEES Students ranging from 1st to 3rd year of studies.
