6.	Ringkasan penerangan aktiviti yang dijalankan (Tidak melebihi 50 patah perkataan )	:	A group of 15 chemical engineering students in their 3rd year of study visited SK Abang Man, Simunjan, Samarahan. The main aim of this visit was to discuss with the school representation regarding the motivation programme for the school 6th-year students in which the motivation programme is to be conducted twice. The first motivation will be held on 22 April 2017 at the school compound, while the second programme will be conducted at UNIMAS campus on 29 April 2017. The programme is mainly organised by chemical engineering programme 3rd-year students and supervised by Dr Nazeri Abdul Rahman, Deputy Dean for Student Affairs and Alumni for Faculty of Engineering, and Cikgu Wan Samsuri bin Wan Sajali from SK Abang Man
7.	Pegawai yang menyediakan maklumat	:	Dr Nazeri Abdul Rahman
