

## Visit by School of Materials and Mineral Resources Engineering, USM Delegates

On February 20th 2014, the Faculty of Engineering received an educational visit by the delegates from the School of Materials and Mineral Resources Engineering, Universiti Sains Malaysia (USM). There were 16 students and 6 lecturers from USM attending the visit. They were given a warm welcome by 20 of our students and 8 lecturers from the Department of Mechanical and Manufacturing Engineering, FENG. The opening ceremony began with exchanging info's between both universities. The faculty was represented by the Head of Mechanical and Manufacturing Engineering Department, Dr Syed Tarmizi Syed Shazali. The activities covered during this visit were;

- Group discussion and problem solving between both students from USM and UNIMAS
- Visit around UNIMAS by bus
- Visit around the Department of Mechanical and Manufacturing Engineering building
- Lunch
- Photo taking session
- Exchanging appreciation gifts ceremony
